Marc – I spoke this evening with the on-scene coordinators working to

address releases from the Gold King Mine. They hope to starting working tomorrow at the [Personal Address/Ex. 6] in preparation of staging equipment and constructing a pipeline from the Gold King Mine adit to the Gladstone area. I would like confirmation that the [Citizen Name/Ex. 6] consents to EPA and its state and federal partners entering and accessing this property. I have attached a consent to access form we request Greenfield Environmental Trust to sign to document this consent. I am available first thing tomorrow morning to answer any questions you may have. Thank you for your cooperation in this matter.
